

Learning Skills Self-Assessment Checklists

Working Independently Self-Assessment

Independence	Hardly	Partially	Mostly	Completely
I persevered with the task even when it appeared difficult.				
I tried different strategies when I was "stuck".				

Teamwork Self-Assessment

Teamwork	Hardly	Partially	Mostly	Completely
I listened and considered the opinions of others.				
I offered assistance to others.				
I took an active role in the group task.				

Organization Self-Assessment

Organization	Hardly	Partially	Mostly	Completely
My work is arranged to make my solution more understandable.				
All parts of my work are clearly labelled.				

Initiative Self-Assessment

Initiative	Hardly	Partially	Mostly	Completely
I recognized what needed to be done and I did it.				
I showed interest and curiosity in opportunities for new learning.				
I tried new techniques or approaches to learning or solving problems.				

Independence Self-Assessment

Independence	Hardly	Partially	Mostly	Completely
I focused during my work.				
I showed persistence when faced with a difficult task.				
I set goals and achieved them.				
I planned and executed tasks with minimal assistance from the teacher.
